

132 – Fantastic News for Examine 4Yourself

Some time ago I had a debate with a Jehovah's Witness who goes by the name Rotherham. The subject was the Watchtower's unique doctrine about the faithful and discreet slave. Another Jehovah's Witness who goes by the YouTube name, Examine 4Yourself, is of the opinion that Rotherham won that debate, which is fine with me.

But if that is so, I have wonderful news for Examine 4Yourself.

There is a wanna-be Jehovah's Witness named Timothy Nyaga. I mean no disrespect by the word, "wanna-be". You see, he really wants to be a Jehovah's Witness, but he does not believe in 1914 and 1918, which is about the appointment of the slave.

Watchtower philosophy requires that 100% of Watchtower teachings must be believed before one can have approved association with Jehovah's Witnesses. The great news for Examine 4Yourself is that since Rotherham, in your opinion, made sense out of Jesus appointing a proven false prophet, charged with the responsibility of teaching all Christians, while that false prophet was prophesying the end of the world in 1925 and teaching well over 30 false doctrines, including that the organization's first president, Charles Russell, was the one appointed by Jesus, and that the Holy Spirit ceased to function, and, while not knowing what the job description was, then it should be a walk in the park for Rotherham, through that debate, to convince Timothy of 1918, and maybe 1914 in the process. It really should be a walk in the park because Timothy is known to believe other wacky Watchtower teachings, like the dead coming to life really mean the living coming to perfection.

But, Examine 4Yourself, if Rotherham, through that debate, cannot convince Timothy of Jesus appointing the false teacher extraordinaire, his winning that debate remains your opinion. Cheer up though. No one can rob you of your opinion. No one!

May the grace of the Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit be with you all.
