

135 – Jehovah’s Witnesses, Let’s Clear Up Some Confusion

There is a lot I have to share with you, but as Jehovah’s Witnesses comment on the videos the gravity of a particular problem becomes more evident and new issues come to the fore. Apparently, I am giving some an information overload, resulting in them not getting the salient points. So, for the next five videos, I will be touching on things already covered, but each will be short – zooming in on one particular point – with the hope that this time around the points will become clearer. The salvation of one Jehovah’s Witness is worth the time, the patience, and the effort.

Dear Jehovah’s Witnesses, I do not believe – let me repeat - I do not believe that Jesus, the Son of God, is Jehovah, the Father of Jesus. How confusing did that sound? If that is what you believe Trinitarians teach, then I understand why you see it as ridiculous. Many of you seem to be of the view that that is what Video 120 is saying. Not at all.

Let's go to JW.org and then to the publications page. Click on the bottom item in the left menu, which is ONLINE LIBRARY. Click on BIBLE, then on REFERENCE BIBLE.

Now click on 1 Peter, then select chapter 3. Do you remember where we are? We're at JW.org - not at WatchtowerExamination.com. We will be looking at what the Watchtower Reference Bible says, not on what Winston says.

With that in mind, please read the first part of verse 15

But sanctify the Christ as Lord* in YOUR hearts

Good. Now click on the asterisk to the right of the word, Lord. Look to your right. What do you see?

The Christ as Lord, the Lord God, Jehovah God.

Now, if you have a problem with that declaration, please take it up with the Watchtower Bible and Tract Society, not with Watchtower Examination. . I have told no lies on the organization. I shared what is there in the Reference Bible for you to see. You may not have a problem with it. You may have an explanation. If you do, please share it.

If you cannot provide a good explanation for that, I imagine you could now be confused. Please stay tuned for the next video where I shall present what none other than Jesus has to say regarding Himself, the Father and the Holy Spirit. If you are willing to take the words of Jesus over mine, and over those of the Watchtower organization, I am 100% positive you will never be confused about this subject again, for the rest of your life. Remember, Jesus is the Way, the Truth and the Life.

Benediction – 2 Corinthians 13:14
